Description of the action and its effectiveness

The mission of this proposal is strengthening the cooperation amongst Moldovan NGOs into educating and mobilizing Moldovan voters to participate in the parliamentary elections 2009.

The main objectives of the proposal are:

- To educate and raise awareness amongst Moldovan voters vis-à-vis the importance of active citizen participation in community life and community development through participation in elections;
- To provide Moldovan voters with a Vote Mock Elections platform at the community level, in which they have the opportunity to discuss their local community related challenges, to identify solutions, to come with proposals and to participate in simulation election exercises;
- To build capacity at the local community level in order to assure the continuous facilitation and organization of Vote Mock Elections in Moldova.
